A B A T E is American Bikers for Awareness, Training & Education

The main purpose of the ABATE organization is to work toward continued freedom of the road by insuring that motorcyclist's point of view is presented to our legislators and to promote motorcycle safety, rider education and awareness. We are trying to alleviate the very real possibility of "Big Brother Government". We encourage all our members to be informed registered voters. We write letters to our elected officials and stay aware of what is going on with motorcycle legislation, education, and other transportation issues. We welcome interested persons to any of our activities or to join our organization.

PRESIDENT

Long Island ABATE traveled to Connecticut on Monday February 27th in order to show support for the victims of a tragic incident that occurred on October 23, 2016. 18 motorcyclists in the **Brotherhood Of United Bikers MC** (CT) were traveling on RT 63 during a fall foliage run when 57 year old **Elizabeth Waterbury** left her lane of traffic and collided with 4 of the motorcycles which resulted in the death of a 33 year old, Mother of 3, motorcycle passenger **Aisinn Kern.** There were also several other motorcyclists that sustained major injuries, including amputation, who are still trying to recover from the emotional and physical damages that occurred that day. After a thorough 4 month investigation, Elizabeth Waterbury was finally arrested on Friday, February 24th and held on $1,000,000.00 bond. Her charges include; Second-degree manslaughter with a motor vehicle, assault with a motor vehicle while under the influence, third-degree assault, interfering with an officer, tampering with physical evidence, operating under the influence and failure to maintain lane. I had attended the bail hearing on the 27th in order to observe the proceeding and see if the judicial system was looking out for the victims in this case. The judge lowered the bond to $800,000.00 which is a good thing. Even though it was lowered, it was ONLY lowered 20%. It is still a substantial amount of bond. The judge also put requirements on her if she is able to raise the bond, including a GPS monitor, no driving, no alcohol/drugs, and must be supervised by a Probation Officer. After the hearing, the District Attorney invited the 2 dozen bikers in attendance into a private room to explain the specifics of the proceeding and answered everyone's questions. It was obvious to me that the bikers are fully involved in the process and the District Attorney's office is sympathetic to the victims and will be pursuing justice in this case! It is very encouraging to see motorcyclists get involved in the judicial system in order to demand justice for motorcyclists! On behalf of all of us in Long Island ABATE, I offer our deepest condolences and well wishes for everyone involved!

February 21st we held our 2nd Nassau County membership meeting at the Marine Corps League at 99 New York Ave in Massapequa. I was happy to see that 25 members attended! We will continue Nassau meetings on the 3rd Tuesday of each month so come on down and help us grow our strength in Nassau county!

Sunday, April 2nd is our 8th annual joint venture with **Full Throttle Magazine**. It is our **Safety & Awareness Run & Bike Blessing.** You can donate or pre-register for the event on our website www.Longislandabate.org. All proceeds from this event will be used to fund our public outreach of motorcycle awareness campaign. We will be riding from **Suffolk County Executive Steve Bellone's** office at 100 Veterans Memorial highway and riding to the **Backstage Pass** for a free lunch.

Our regular membership meeting will be Tuesday, March 14th at the Ronkonkoma FD meeting hall. **THERE WILL BE A CHILI CONTEST AT 6:30!** IF YOU ARE ENTERING YOUR CHILI INTO THE CONTEST, PLEASE BE THERE WITH HOT CHILI BY 6:00. The meeting will start at 7:30. I hope to see you there!

Legislative News

“The only thing necessary for the triumph of evil is that good men should do nothing.”

First they came for the Socialists, and I did not speak out—
because I was not a Socialist.

Then they came for the Trade Unionists, and I did not speak out—
because I was not a Trade Unionist.

Then they came for the Jews, and I did not speak out—
because I was not a Jew.

Then they came for me—and there was no one left to speak for me.

I am starting this column with these quotes because WE as motorcyclists must be involved in the political process. I know that many of you are involved already.

You are attending meetings making yourself educated on the topics hopefully signing and supporting bills. These are good things.

We need to engage. We are a grass roots organization that means each and every one of us is a piece of the whole. We have to get the word out to other motorcyclists. Especially the independent riders like me.

I am asking all of us to step up our game. When we are around other motorcyclists talk up the topics and challenges that we are facing. Educate them.

We are in the know. This doesn’t mean every motorcyclist is informed. Ask them if they know about Long Island ABATE. Ask them to go to our web-site, invite them through Face book. Please don’t forget to ask your Face book friends to join us in our struggles they don’t have to ride a motorcycle.

Getting motorcycle friendly legislation passed, such as anti-motorcycle profiling is a must and only one of our challenges.

Some news from Idaho:

Idaho House Unanimously Approves Anti-Motorcycle Profiling Bill

Grassroots manpower is the most powerful tool in the motorcycle rights movement's arsenal and motorcycle clubs are a critical component. This power was again demonstrated by the Idaho motorcycle club community and ABATE of Idaho beginning on February 21, 2017 when HO 123, a law prohibiting motorcycle profiling, passed out of the House Judiciary committee with a unanimous do-pass recommendation. On February 27th the entire Idaho House of Representatives voted 69-0-1 (one rep. was absent) in favor of HO 123. Which will now go through the same process in the Senate and, if successful, will ultimately be the third state to send similar legislation to their Governor's desk to be signed into law.

In closing what we need to do is get more people informed. The motorcycle season is here. There are rides on and off the Island every weekend and some groups will have rides leaving during the weekdays. Please take the time to inform them while you are riding with them this season. Hand them an application to LIABATE. If you are not interested in talking it up, invite them to a General Meeting. If for nothing else Joe Pizzo and staff Claudia and Jackie put on a great Bar b Que.

Last and not least it is TAX SEASON. If you are looking to for a tax write off remember charity begins at home LIABATE is a 501 © (3) your donation is tax deductible. And very much appreciated.

Safe riding Mike Lauro

Happy Valentine's Day!

BBQ before the meeting. *Thank you to Joe, Jackie, Claudia and Mike for barbequing tonight. In addition, we'd like to thank LI ABATE junior member, Nicholas, for helping out at tonight's meeting.*

7:35 Meeting began with the Pledge of Allegiance / Moment of Silence for the recent passing of LI ABATE member Bill Bartasek's father.

Welcome new members and guests.

Minutes for the January 2017 membership meeting were published in the February 2017 newsletter.

He, again, was able to secure three benefactors who will match all funds raised.* ***Bill Bartasek*** *submitted a $500 donation in memory of his father, who was a WWII veteran. His father rode on the back of Bill's bike in the 2016 Veteran's Appreciation Run. Bill's donation becomes $2,000 with the matching funds. Thank you Bill and thank you to all who donated.*

Motion 5-2017: Motion to accept treasury report. (Seconded) All in favor.

Committee Reports

Jackie / Membership: March membership renewal letters will be sent out this week. Memberships can be renewed by mail, online or at a membership meeting. Memberships can be renewed at any time. Your current membership will be extended for one year. ***It is imperative that members renew and that we keep our membership numbers up. It is the only way we can be effective when we meet with public officials in protecting the rights and safety of motorcyclists.*** If you are not receiving LI ABATE newsletters or e-mails, please let Jackie or Nancy know and the e-mail data base will be updated.

Nancy / Newsletter: A link was sent out to members for the February 2017 newsletter. Nancy encourages all to send her pictures, articles, stories, event flyers, etc., for publication in our newsletter. **Website:** Nancy continues to update the website. A new events calendar is up and membership renewals are once again working on the website.

Mike / Public Relations: Mike will begin to publicize and seek media coverage for our Motorcycle Safety and Awareness Run, which will be in April. He also reached out to BOCES to inquire if students would be available to videograph this event. Mike will also be approaching Nassau County Harley and Oakdale Harley to inquire if LI ABATE can set up a booth at their open house events. He, and other board members, presented Oakdale Harley with a plaque in appreciation for their support of LI ABATE.

Mike / Legislative Officer: Mike is currently reviewing new and reintroduced bills being worked on by the AMA and the MRF.

The MRF is lobbying to increase the amount of motorcyclists on the national motorcycle advisory committee, with regard to the repair, maintenance and construction of federal highways. Nancy sent out an e-mail with a hyperlink to the MRF's prewritten form addressing this issue. (You can also access this form on the MRF.org website.) Members simply fill in their name, e-mail and hit send. The form automatically goes directly to your own Senators and Congressmen. **Please take the time to fill out and send this form.**

As a direct result of him receiving over 300 MRF forms sent by members regarding the profiling of motorcyclists, **Congressman Lee Zeldin** has signed on to the Motorcyclist Anti-Profiling Bill.

Mike / Safety Officer: Mike attended the Suffolk County Traffic and Safety board meeting. He reported that many roadways are being remarked with a different material which is not as slippery to motorists / motorcyclists. Mike will also inquire what type of material is being used on roadways during storms, *ie: salt, sand, brine, etc.*

Kathy / Products: Products (crew sweatshirts, zippered sweatshirts, hoodies, t-shirts) are available for purchase at all membership meetings. New embroidered knit LI ABATE hats are now available for $15. *Kathy also proposed a membership challenge. Members who sign up 5 new members will receive a crew neck sweatshirt + 1 year free membership renewal. Members who sign up 10 new members will receive a crew neck sweatshirt + 2 year free membership renewal. Members who sign up 20 new members will receive a sweatshirt of their choosing + 5 year free membership renewal. Challenge is due at the April membership meeting.*

Old Business

Court Cases: LI ABATE continues to monitor cases where a motorcyclist is seriously injured by a motorist. This is taken very seriously by the District Attorney and the presiding Judge on the case, as any advocacy group in attendance makes a difference in court proceedings and outcomes. In the case of Yoneyama, the driver who hit and seriously injured motorcyclist **Ron Starke**, Yoneyama pled guilty to a misdemeanor charge and will be sentenced 3/23 @

Riverhead in the courtroom of Judge Cohen. Members are encouraged to attend in support of Ron. An e-mail reminder will be sent out.

LI ABATE 2017 Motorcyclist Handbook: Nancy is now working on the 2017 Motorcyclist Handbook. The handbook will be limited to 66 pages. Advertising prices are the same as last year: $50 for a half-page ad, and $100 for a full page ad. These prices are for camera ready layouts. (There is an additional $25 fee for those ads that require artwork or layout. If you advertised with us last year, we have your artwork on file.) *The fee is due along with advertising copy.* The deadline for advertising in this handbook will be March 1st, so the handbooks can be printed and available at our Awareness Run in April. The centerfold of this handbook will once again list bike runs and events. *If there are advertisers who know they want to be in this handbook, please contact Nancy to reserve your space.*

LI ABATE Scholarship Fundraiser: A *paint night* has been scheduled for March 7, 6:30pm at the Backstage Pass, Ronkonkoma. The cost will be $35pp with $15 going toward the 2017 LI ABATE Scholarship fund. The cost will include a canvas and materials to paint a lighthouse with background flag, food and drink specials. *Please support this event and help raise money for the scholarship fund.*

LI ABATE Nassau County Meetings: LI ABATE began membership meetings in Nassau County on the 3rd Tuesday of the month @ 7:30pm. These meetings are being held at the Marine Corp. League Building 99, New York Avenue, Massapequa. Last month, approximately 20 people were in attendance. Those new to LI ABATE had the opportunity to question and learn about what we do for the motorcycle community.

March Membership Meeting in Ronkonkoma will be a chili contest. Members are encouraged to bring a batch of their best chili to be judged and enjoyed by members during the meeting.

New Business

Texas Legislative Lobby Day: Jim attended the Texas Legislative Lobby Day, January 23rd in Austin, TX. He brought a banner with him stating *LI ABATE Supports Texas Bikers,* which was well received. Double D spoke about motorcycle profiling legislation, which was lobbied for, after an organized run to the Capitol. Peter, from HAMC attended and met with the organizers of *US Defenders and COIR.* This event was another great opportunity to network with motorcyclists from across the country. *For a detailed account of Jim's trip, please see his President's Article in the LI ABATE February newsletter available on the LI ABATE website.*

2017 St. Patrick's Day Parade, Rocky Point: The Rocky Point VFW invited LI ABATE to participate in the annual St. Patrick's Day Parade, Sunday 3/12. This year, motorcycles will be leading the parade. Additional information to follow.

Sgt. John Barbato Award: LI ABATE will be one of the recipients of this special award by **Project9Line** for "significant support of project9line's mission". *Project 9 Line is an organization that helps veterans cope with PTSD.* The award will be presented at the Sgt. John Barbato Dinner, 2/16 at the Marconi Manor.

Motorcycle Only Checkpoints: Detailed articles regarding the MOC which occurred in November, the day of the LI ABATE Food and Toy Run, have been printed in the MRF and AMA newsletters and *Easyrider* Digital Magazine. Getting this information out through national organizations and other media outlets is helpful toward getting national profiling legislation.

Long Island Needs A Dragstrip: Jim is a member of the Long Island Needs a Dragstrip Committee. A recent survey was sent out to all LI ABATE members. Approximately 700 members responded. Jim encourages all members to take part in this survey.

LI ABATE Run / Event List

April 2 - Motorcycle Safety and Awareness Run in conjunction with **Full Throttle Magazine**. *This year we will be inviting people who have been impacted in a motorcycle accident, due to a driver's carelessness, to share their stories. We are hoping that the media will then push the motorcycle awareness message.* The run will begin at the Dennison Bldg., Hauppauge. Registration will begin at 9am, with a press conference at 11am. Local political officials will again be invited. Bike blessings will be offered by **Bikers for Christ Motorcycle Ministry**. The run will go to Backstage Pass, Ronkonkoma. All proceeds from this run will go toward our 2017 Motorcycle Safety and Awareness campaign.

Volunteer Coordinator

VOLUNTEERISM

Volunteer Coordinator : Andrea Peponakis

Hi All, It is my honor and pleasure to serve as ABATE Volunteer Coordinator for the second consecutive year. I have been involved with ABATE for 17 years so when Bill Quinn recommended me for this position, I was more than moved. Through the years, I have volunteered and participated in the traditional annual events that ABATE hosts. And how could I not? Any organization that places our Veterans, our children and our bikers first, as ABATE does, is an organization that will forever win my heart.

Volunteering is a way of life for me. It is doing God's work every day; somehow; someway. In addition to volunteering for ABATE, I have offered my services professionally and personally to other charitable causes as well.

As a 31 year seasoned high school Spanish teacher, I spread acts of kindness with my students by attending events and raising funds for charities; The Leukemia & Lymphoma Society, Adopt-A-Family, Habitat For Humanity, Island Harvest, Kamp Kiwanis, local food pantries and St. Jude's Hospital to name a few.

In my personal life, I was nominated a received the title of Long Island Woman of the Year by the Leukemia & Lymphoma Society in 2012 for having raised over $100,000.00 in one year to help find a cure for blood cancers.

I am very proud to continue my life's passion with ABATE.

Thank you to all of the ABATE volunteers who help out so much every year! You are priceless.

If anyone else would like be placed on the email list to help out from time to time, please email me at: Profe239@aol.com or call me at: (631) 377-2987.

And so in the words of the late, great John F. Kennedy, "Ask not what your country can do for you---ask what you can do for your country."

Vice President 2

On Thursday February 16th, Long Island ABATE was invited to the Sgt. John Barbato Dinner hosted by Project9line. We were one of the recipients of the Sgt. John Barbato award. Project9line is one of the Veterans Organizations that receives a donation from our Veterans Appreciation Run to Montauk. Thank you once again for honoring us with this award!! Thank you to Chris, Josephine, Donna and Bob for attending as well!!

Project9line mission is as follows: Empowering Veterans With Reintegration Through The Arts And Entrepreneurship.
We will support Veterans by providing multiple avenues for them to communicate their experiences to promote a healthy transition back to civilian life. The reintegration process is very difficult and Project9line will assist them in the recovery process. We will be doing this by networking and guiding our Veterans through the reintegration process. We will be setting up meetings and workshops where Veterans will be able to link up with other Veterans who have already been through the system and are familiar with it. This way the Veteran can maximize their benefits with the help of the experienced Veteran. Our main objective will be to create multiple venues for the Veterans to showcase their talent and share their experience through the Arts. Musical concerts, art shows, photography, dance, and theatrical events will be how we do this. Project9line will create the venues for Veterans and civilians to share their art with the world together so we can work together to help the Veteran community acclimate to civilian life.

Check them out on facebook and website at www.project9line.org.

Barbato
It's a long, Long Island,
when trading breaths for euphoria, and
slipping sideways, towards inward.
I can feel John,
in the heavy, thick
molecules, settling
dusts of many, and
the collapsing lift,
of all forms.
I can Spell John,
in the absence of summer, leaves
carrying his scent,
I can See John,
in the early approach
sick and struggling,
to the
flashing cloudy eyes,
fall.
from a storm swept
brain.
I can hear John,
ghosts escaping
in mangled muffled
battles, delivering echoes
of silence.
It's a long, Long Island,
when trading breaths for
euphoria, and
slipping sideways
towards inward.
