ABATE of New York, Inc.  
2009 Outstanding Service Award

## Long Island Chapter

*This certificate is presented as thanks and recognition for your outstanding service to ABATE of New York, Inc. and its membership. Your creative approaches to promoting our organization and recruiting members is a shining example of our mission. Thank you for your hard work.*

## A B A T E is American Bikers Aimed Toward Education

The main purpose of the ABATE organization is to work toward continued freedom of the road by insuring that motorcyclist's point of view is presented to our legislators and to promote motorcycle safety, rider education and awareness. We are trying to alleviate the very real possibility of "Big Brother Government". We encourage all our members to be informed registered voters. We write letters to our elected officials and stay aware of what is going on with motorcycle legislation, education, and other transportation issues. We welcome interested persons to any of our activities or to join our organization.

## President's Page

As you will see as you read this issue, Raybud did something a little different this month. He and Christine compiled photos from some of our 2009 events. For those of you that attended the events, you will enjoy the reminders of all the fun we had last year. For those that missed an event, you will get a glimpse of the fun that you missed out on. But don't feel bad because there will be plenty more fun in 2010! We guarantee it!!

Last year was a trial and error year as we tried to create enthusiasm within our chapter. This year we will try to improve upon the things that seemed to work well and try to come up with new ideas for those that didn't go as well. A prime example is the fact that we tried holding membership meetings on Fridays

in Mt Sinai every other month, while we remained at the Riverhead Elks on the 2<sup>nd</sup> Tuesdays on the remaining months. As it ended up, both meeting locations were very well attended. But as a result of member feedback it was decided that this year we should return to the 2<sup>nd</sup> Tuesday of every month for all meetings. We will remain at the Riverhead Elks Lodge on all odd number months (Jan, Mar, May, Jul, Sep, Nov) The remaining even number months (you can figure them out) we will be holding at THE AMVETS HALL @ 115 CHURCH ST, RONKONKOMA. We feel that since we have expanded from "Eastern Suffolk" ABATE to "Long Island" ABATE we should make it more convenient for the members that live further west. The AMVETS Hall is conveniently located just north on exit 60 of the L.I.E. (see the map on page 2).

We will be printing additional copies of this issue and we will distribute them at upcoming events and festivals to try to recruit additional members. This year we signed up 195 new members, but we want to exceed that in 2010. We are working on some creative ways to attract new members. But the best way to increase our membership is for you to tell your friends about all the things that ABATE does to increase motorcycle awareness and improve riding conditions for us. The more members that we have, the more the politicians will listen when we speak!

Thank you all for the tremendous support that you have provided to our chapter! We look forward to your continued support in 2010!

Jim Barr
