A B A T E is American Bikers Aimed Toward Education

The main purpose of the ABATE organization is to work toward continued freedom of the road by insuring that motorcyclist's point of view is presented to our legislators and to promote motorcycle safety, rider education and awareness. We are trying to alleviate the very real possibility of "Big Brother Government". We encourage all our members to be informed registered voters. We write letters to our elected officials and stay aware of what is going on with motorcycle legislation, education, and other transportation issues. We welcome interested persons to any of our activities or to join our organization.

I hope your summer is going as well as mine is! This has been a great summer for riding. Unlike last year that was filled with rain. I apologize for missing the August membership meeting. Roseann and I took the opportunity to ride down to Tennessee and spent the week touring the Smokey Mountains and surrounding areas. The only scheduled visit we had was to visit a special friend in Atlanta who was scheduled for surgery that week. Her surgery has since gone well and she is recuperating well. After that we did anything we felt like with no place to be and no time to be there. We enjoyed the back roads of northern Georgia, eastern Tennessee, western North Carolina and southern Virginia. Spending a week in the mountains is the perfect way to recharge yourself so that you can continue the hectic schedule of daily life.

The next exciting thing we did was the ABATE campout on August 21st & 22nd.

We had incredible weather on Saturday which helped make it a great day! The day started with a bike ride which was lead by our Sgt @ Arms, Bob Laub. When they returned, Morgan & Tracy cooked everyone lunch (for the 6th year in a row). The afternoon was filled with bike games which were coordinated by Dominic again this year. There was a 26' blow up water slide on site all afternoon. The kids as well as some adults seemed to really enjoy it. After the games, Jack and Ann from Deadwood Choppers awarded the trophies for the first place bikes in the bike show. Then Cheryl from the Tattoo Shop presented the awards to the tattoo contest winners. At 5:00 Wildflower took the stage and performed hits from the 60's & 70's. In case you were wondering, yes the guitar player is Roseann's sister LoriAnn. While

they were performing, members of The Rushing Wind Biker Church served dinner. It consisted of London broil, hamburgers, hotdogs, chili, salad, and corn. There was plenty for everyone and it remained out all evening for those that couldn't get enough. Then at 8:00pm Lex Grey & The Urban Pioneers hit the stage and rocked all night until 1:00am!! The campers surrounded the field like a wagon train while Lex entertained the crowd while a bonfire (supplied by Tor, once again) roared throughout the night. You had to be there to truly appreciate the atmosphere.

The next morning at 8:00am, Boy Scouts Troop 4 was on site and cooked egg sandwiches and coffee for those that were willing to get up so early. At 8:30am the music continued as the band from The Rushing Wind Biker Church took the stage. (8:30 might have been a little too early for some of the late night partiers.) We will have to keep that in mind for next year. But despite the time, they performed excellent and were enjoyed by many. Pastor Ski, ABATE's Chaplain, performed a service for those who chose to attend. It began to rain lightly on Sunday morning but all in all it was a GREAT weekend!

I would like to personally thank everyone that contributed their time to ensure the success of this event! Especially to Raybud & Doreen Pesce! They both worked extremely hard on this and their efforts resulted in a great time for all.

I hope you can attend our next membership meeting @ The Riverhead Elks on September 14th at 6:00. We have frozen leftover food from the campout so we are going to have a free barbeque from 6:00-7:30 outside. Then we will move inside for our meeting at 7:30.

I hope to see you there.

VP's Report

Hello Members

For those of you who were at the last (quick) meeting, you can tell I am still learning the ropes in my position as VP! I don't quite have the stories and experience as Jim so I hope you were not all too bored!

When I accepted this position the Campout issues were just starting to be discussed and I was overwhelmed with the thought of it all. We had a lot of planning to do and time was moving fast. Though we sold a lot of tickets, maybe not as much as last year, I think it all came together fantastic! I had an awesome time, great to see so many just hanging with friends, partying and supporting Long Island ABATE! The music was great, the people were great, what more can you ask for! I have to say Thanks to Tracey & Morgan for an outstanding job. I didn't realize how much work that is, ALL day cooking for so many, and it was all fantastic. You guys really handle it well, even with hangovers! Thanks to Kim, I purchased an ABATE Sweatshirt with the new design, and it kept me nice and warm, great job Kim. The cold weather is coming and we have these great new sweatshirts and long sleeve Tees, so keep that in mind! Thanks to Bill and Donna for your stamina staying at the gate all day! don't know if I could do that. Donna a big thanks to your granddaughter she is quite the saleswoman! Raybud you are one good egg, you constantly help out, don't know how you keep the pace. Bob thank you for keeping things in check over the weekend and my biggest thanks to Jim Barr (and Roseanne too) who is just an Amazing President. It takes a lot to pull this together and keep it all going. We had so many meetings, my family was missing me!!!

Now we have to look forward to the Treasure Hunt coming up. It will be a fun night for all so mark your calendars for Sunday, September 26th for a fun day of clues!

I saw many of you today at the Full Throttle Party at the Black Rock Tavern. It was packed and displayed were some beautiful bikes. Hope all who went to support Full Throttle had a good day.

From what I understand there used to be rides planned for breakfast, etc I am putting this out there to try again. The last Sunday of each month I will try and plan a ride. I am open to suggestions and anyone who wants to lead a ride by all means. However, the last Sunday of September is the 26th which is our Treasure Hunt Run so I thought as a test ride we could meet October 3rd at Exit 63 of the LIE on North Ocean Avenue just North of the Expressway and ride out to the Hampton Bays Diner for Breakfast, meeting at 8:30 with kick stands up at 9:00. I will take some back roads and hope you all can join me! If you have questions with regard to this please email me at jdjpe-sce@optonline.net. If the weather calls for rain, etc., the ride will be cancelled. If the weather is questionable you may contact me at 631-766-6717.

As a reminder our next meeting which is September 14th at the Elks Lodge in Riverhead will start at 7:30 pm however, we are having a BBQ at 6:00 pm rather than the usual hero, etc. Come on down early and enjoy!

Until next time,

Doreen

Treasurer's Report

Where did the summer go? By the time you get this we will be past Labor Day. The Campout again was a premier event. Everyone that went had a great time. For \$35 you got a full day of food, games, music, camping fees and fun. If you paid early, its only \$25. This has to be one of the best values around. If you didn't go you missed out on a great event. Be sure to put it on your calendar for next year. The only negative is that we did not make as much as we did in the past. We tried to improve the food, entertainment etc. and this ate into our bottom line. Next year we will try to do things a little different to improve it for you and our chapter.

Please try to attend the general meeting this month on Tuesday September 14th. We are going to have a barbecue at 6pm with the meeting beginning around 7:30pm. This meeting is also going to be special. The representatives of the organizations that are benefiting from this year's Veter-

Legislative Report

The Long Island Chapter of ABATE is currently working on a plan to implement a "Share the Road " Program in Suffolk County High School Driver Ed classes. It will be loosely based on ABATE of Iowa's very successful Share the Road Program. We hope to have a plan firmly in place by April 2011 to present to legislators and educators throughout Suffolk, and hopefully implement in September of 2011.

What follows is a brief lesson outline for a proposed presentation. We hope, that in the initial stages of this program, ABATE members will volunteer to do some presentations while we get our feet wet and get the program running.

It's an idea whose time has come, and the end result will be safer roads for motorcycle enthusiasts.

The following outline contains suggested topics to cover. Depending on allowed class time you may need to shorten up the program. The basic curriculum for a youth program that must be covered is as follows:

1. Qualify your self as a motorcyclist and a speaker
2. Stereotyping of motorcyclist
3. Statistical information that shows the need for more aware drivers
4. Drinking and Driving do NOT mix
5. The responsibility of driving and sharing the road (sunny day demonstration)
6. Look twice once for cars a second for motorcycles
7. Always try to judge the speed of a motorcycle for at least 2 seconds

8. Look twice before changing lanes
9. A bike uses the entire lane and why
10. The lethal left turn blind spot
11. Large groups of motorcycles

ginalmt@optonline.net

12. Passengers and operators dress for your own protection
13. Take a rider education course if you want to become a motorcycle operator

Share the Road has grown extensively over the last few years due to our success in the classroom exceeding the curriculum in the driver's education manuals for sharing the road with motorcycles. Word of mouth from one educator to another has been our best asset. Just as good class experiences built us up, any bad classroom experiences can tear us down. It is your responsibility as a presenter to represent the program in a positive light.

A few tips to a successful presentation are:

1. Know your material, before the presentation rehearse, rehearse, rehearse.
2. Dress for success, avoid offensive clothing and or vest patches.
3. Speak clearly and to your audience
4. Be in charge of the presentation, you must control the direction of the presentation.
5. Be accurate with your information, have a backup with you if you use it.
6. Get your audience involved, don't put them to sleep
7. Remember you are there to make more aware drivers.

Any additions, questions etc are always welcomed I can be reached at flanaganspoint@aol.com .
