**A B A T E is American Bikers for Awareness, Training & Education**

The main purpose of the ABATE organization is to work toward continued freedom of the road by insuring that motorcyclist's point of view is presented to our legislators and to promote motorcycle safety, rider education and awareness. We are trying to alleviate the very real possibility of "Big Brother Government". We encourage all our members to be informed registered voters. We write letters to our elected officials and stay aware of what is going on with motorcycle legislation, education, and other transportation issues.

We welcome interested persons to any of our activities or to join our organization.

# PRESIDENT

Happy New Year! 2015 was a terrible year for motorcyclists, mainly because of so many motorists turning left in front of motorcycles! We are going to make a point to address this particular problem in 2016. We are also going to be in the courtroom for every court appearance in order to lobby that the defendants are held accountable for injuring or killing motorcyclists. We are also working with the District Attorney's office to investigate incidents where motorists are not charged for their crimes against motorcyclists. I can assure you that ALL motorcycle accidents are being investigated more thoroughly by the DA's office as a result of our involvement in the process! Our next goal is to try to get the local Police Officers to also be more thorough when it comes to summoning negligent motorists. The difficult part of that is that the police can't usually write a summons if they didn't observe the incident, but there are ways to do it with a little more investigation.

We are working on providing new benefits to all Long Island ABATE members. The current project is to sign up a large group of Retailers who are willing to give a 10% discount to all LI ABATE members. We have nearly 1,500 members and retailers would be happy to offer a discount to us in exchange for our members being informed about their product. If you have any connections with any retailers, please ask them if they are willing to partner with us by providing a 10% discount, and in return, we will inform our 1,500 members about their establishment.

Our 2016 LI ABATE handbook is being developed now. If you are interested in advertising in it, please contact us. The price remains the same, \$50 for camera ready 1/2 page ads and \$100 for camera ready full page ads. We can design your ad for an additional \$25 if you prefer. The book is limited to 66 pages and the book has sold out every year so get your ads in ASAP.

I would like to thank everyone for allowing me to remain on the Board of this great organization for another year! We have an awesome Board with fantastic people who truly care about improving LI ABATE! It is indeed an honor and a privilege to continue to work with everyone!

Our next meeting is January 12<sup>th</sup>, we have decided to continue with the pre meeting barbeques so come by at 6:30 if you want to eat before the meeting. I hope to see you there.

# **RIDER DOWN ASSIST GROUP**

**HELLO, I was recently hit on my bike and when I woke up in the hospital I began to realize all of the things I needed help taking care of: INSURANCE CONTACTS, FAMILY & FRIENDS, PETS, ETC.**

**I was VERY fortunate that people in my life stepped up and covered all the bases and more. NOT everyone has that help available to them.**

**LI ABATE is hoping to build a team of “FRIENDS FOR RIDERS” that will visit a downed rider and get involved to help see they have assistance.**

**This is TIME ONLY to be there for someone when needed. The more volunteers the easier it will be to get that rider the help they may need. We have 1400 + members, so unfortunately there will be a need for this support group.**

**If you are interested in getting involved and giving some time & effort please contact me at [steveliabate@aol.com](mailto:steveliabate@aol.com)**

**🇺🇸 You may have other ideas as to what areas help is needed in OR have the resources to get help for others.**

**THANK YOU,**

“There is a Human Being on that Machine”

Long Island ABATE had three commercials made recently asking motorists to look for motorcyclists especially when making a left turn. These commercials were posted on our Website and Facebook pages. We asked people if they would like to participate in the campaign. They were asked to send pictures of themselves with their motorcycle and their occupation. Thanks to all so far who have participated!! Check out the website for more pictures!

Happy New Year!

As January and the colder weather approaches, I'm sure everyone is already thinking spring.

I have been keeping tabs on the Bill for Motorcycle Awareness and Safety Inclusion in (5) Hour Pre-License Education Course, Senate Bill S02757. Things move so slowly... however, some good news. Senator Robach, who is now the Chair of the Transportation Committee for the Senate, rides a motorcycle. In my conversations with the Senator's Chief of Staff, they feel this bill needs to be addressed. This bill has been on the agenda for years without moving forward. Hopefully, with the attention given to it by Long Island ABATE, it finally will. I believe this Bill is very important for proactive prevention, especially after so many incidents with car left turns in front of motorcyclists this past season. I will keep calling and getting the Bill's status.

If you have any issues or concerns, please don't hesitate to call me or email.

The New Year

By Pastor G

The New Year starts with lots of resolutions, thoughts of where and what you'd like to do. I believe that starting this year, we should look at each other as more important than ourselves. Why... because if we take ourselves out of the center of our lives, we will always be caring, helpful and loving people. That will bring us closer to each other as people and as a group.

I think this organization is phenomenal. I love every ones enthusiasm and willingness to go out and want to help protect everyone in the motorcycle community. I pray its direction always stay focused on this. I am blessed and honored to be part of this organization and to be chosen to be its Chaplain. The ministry that I am part of, Rushing Wind Biker Church and Bikers For Christ, are here for all of you.

My prayer is that we have a safe riding season, that everyone uses wisdom in all decisions when riding their motorcycles, that we all enjoy everything GOD has created for us to enjoy, and that we stay in a place or peace that can only come from our GOD.

Be safe and have fun.

GOD Bless You All!

# Newsletter Editor

Dear Members,

This is **YOUR** newsletter so I will fill it with all the information, articles, pictures and fun stuff that

you send me. If you have something you want added to our calendar in the newsletter, please let me know. I will be doing two months at a time as you will see in this edition. The Board spoke about advertisements, and there will be a charge if you want to advertise in the newsletter. Thank you to all who take pictures and load them on Facebook!! I try to find flyers to all the events, but I do apologize if your flyer doesn't make it. Email it to me or message me on FB and I will definitely get it in here..

**Mailings:** Our newsletter will be paperless. So every month you will be sent an email with a link to the newsletter when it gets posted on our website at [www.longislandabate.org](http://www.longislandabate.org). Please let me know if you cannot open it or don't get the email about it, and I will help you. It will also be posted on Facebook on our two pages. *Do to it being very expensive, we can no longer print and mail the newsletters out to the membership.*

**Advertisements:** If you are interested in advertising your business in our newsletter, please see the prices on the last page of the newsletter. Please email me your advertisements. Thank you

**Jr. Membership:** There is a Jr. Membership page, and if you have children/grandchildren, I encourage you to print out the page so they can color it and submit it for a coloring contest. This will be in every newsletter. Jr. Member Sophie Greenseich runs these pages. The winner gets a Carvel Gift Card..

**Flyers and Events:** If you would like your events listed on our calendar, or have a flyer to submit, please email it to me at [Nancygee66@gmail.com](mailto:Nancygee66@gmail.com) Please get it to me before the month of your event. There will be a fee if your flyer is listed more than once.

**WANTED** Motorcycle Clubs and Organizations: Your story and history about your Patch and how it all got started!!

**Your Submissions:** Please feel free to send in pictures, funny cartoons, stories, ideas for the newsletter. I am open for all suggestions, comments, complaints. If you have a bike or parts for sale, I can list that. If you would like your own column on household tips, recipes, or great riding places to go to, concert info, or a community service thing going on, please contact me.

Thank you and Ride Like the Wind!!
