Tuesday October 16th Nassau

ABATE is American Bikers for Awareness, Training & Education

The main purpose of the ABATE organization is to work toward continued freedom of the road by insuring that motorcyclist's point of view is presented to our legislators and to promote motorcycle safety, rider education and awareness. We are trying to alleviate the very real possibility of "Big Brother Government". We encourage all our members to be informed registered voters. We write letters to our elected officials and stay aware of what is going on with motorcycle legislation, education, and other transportation issues.

We welcome interested persons to any of our activities or to join our organization.

PRESIDENT

Roseann and I have just returned from an awesome 6,300 mile, 20day ride. This was by far, the most enjoyable ride we have ever done. We have done about 6 rides to Sturgis SD, Wyoming & Montana. The best of which was 6,800 miles during 13 days. However, this time we went to Colorado, Utah & Arizona. Instead of riding 800-1,000 miles per day & passing by points of interest at 85 mph and pointing to it and saying, wow look at that, this time we only did 300-400 miles per day (after getting to Colorado) and acted like tourists and stopped at many points of interest and actually took pictures! This was very difficult for me, but I worked hard at it and ended up having the most enjoyable trip ever. We hit 2 days of torrential rain & flooding until we reached Indiana, and we had 2 days of heavy rain on the way home from Chicago to Pennsylvania, but we enjoyed 16 days of pure sunshine in between. We stopped at all visitor centers and asked for recommendations about the most scenic backroads. We spent every night in a different location and were on the bike from 8:00am-8:00pm every day.

We started sightseeing on rt70 after Denver, then went on to Utah which included Arches National Park, Bryce Canyon & Zion National Park. Then we went to the North Rim of the Grand Canyon where we were extremely lucky to get cabin # 301 due to a cancellation, which is right next to the Grand Lodge and sitting right on the rim of the canyon. It had a front porch with 2 rocking chairs which is where we spent most of our time. That cabin is usually reserved 2 years in advance.

The next day we rode to Jerome & then Sedona (Arizona). Jerome was an old abandoned mining town which was taken over by hippies. We didn't bother stopping but it was a nice scenic ride going through it. Sedona was amazing. We rode several canyon roads and the next morning we went on top of a mountain that is considered a Vortex by many people. There were several people up there meditating & praying. I was asked if I felt any kind of spirituality, my answer was that I always feel spiritually protected, so I didn't notice any difference (truth). Then we went North again and entered the Grand Canyon National Park from the East entrance. Then we went back to Utah to Monument Valley which is where many John Ford made many of his westerns, some of which included my hero John Wayne.

We went to 4 Corners next which is no big deal. There is a monument where Colorado, New Mexico, Arizona & Utah meet. Next was Mesa Verde, which was amazing. There is a great 18 mile ride to the top of a mountain where there are remnants of several Cliff dwellings. We really played tourist & attended a guided tour of the dwellings. It was very interesting to learn how the Indians built these dwellings on a cliff, but under on overhanging cliff and lived there from 1200-1280. The most important thing I learned in that National Park is that they mean it when they post the speed limit. Apparently 41 in a 25 is frowned upon by the US Park Rangers. But I can't complain, it was worth the cost of the \$110 ticket. I just hope they don't tell Cuomo about it. Then we went to Durango & traveled various mountain roads ranging from 6,000-9,000'. I just remembered that we did hit a full day of rain while we were riding through the Mountains in Colorado. It did take some of the fun out of riding up & down the mountains with all the switchbacks and tight curves. Then we rode up to Independence Pass at an altitude of 12,095'. It was funny when we got to the top, it was 35 degrees and I was wearing a t-shirt, but everyone else that arrived on bikes were all wearing chaps, leather jackets, electric clothing, helmets, facemasks etc. and they were all acting like they were freezing. Lol. We were able to see neighboring mountain peaks at 13,500 & 14,200' which both had snow on them.

After that we headed to Denver to attend the Motorcycle Riders Foundation, Meeting Of The Minds.

On the way out there we rode through New Jersey, Pennsylvania, Maryland, W Virginia, Kentucky, Indiana, Missouri, Kansas, Colorado, Utah & Arizona. On the way home rode through Colorado, Nebraska, Iowa, Illinois, Ohio, Pennsylvania, New Jersey & New York. The best part is that I only had to wear a helmet in NY, NJ & Nebraska. The rest of the middle of the country allows you to ride free of mandates! Feel free to go to my facebook page if you're interested in seeing the pictures.

If you get the chance, GO WEST!

September 2018 Minutes

Long Island ABATE meeting. Tuesday September 11th 2018 Lake Ronkonkoma, New York.

Barbecue before meeting. Thank you Joe and Claudia for doing the cooking.

7:33 p.m. meeting began with the Pledge of Allegiance a few minutes of silence for those that were lost on 9/11. Nancy read a 9/11 poem and explained why she chose that and how it reminded her of the ABATE members as far as community service.

Nancy started the meeting explaining Jim and Roseanne were away on a cross-country trip. Josephine took the meeting minutes.

Welcome new members and guests: Kenny Wolf Man Max was a new member he owns the biker leather store on Portion Road and he used to have the biker leather store in Coram. Everyone welcomed him. John Ice Cream brought him in as a new member.

The minutes from the August 2018 meeting were published in the August newsletter and posted on the Long Island ABATE website. Motion was made to accept the minutes and seconded. All were in favor.

Treasurer's report was given by Bill Quinn. Motion was made to accept the treasures report, seconded and all were in favor. Also, he spoke about the Veterans Funds, and that we are \$750 short of having \$150,000 to donate. He thanked everyone for donating what they could throughout the year. He, Karen Wirth, George DeMott and Mike Osip are the committee chair people in charge of deciding on who gets the donations.

George Membership: 2050 members to date, he is one month behind on new cards. He is working diligently to get it caught up and up to date. He also talked about \$20 to become a member and you getting \$4,000 insurance for death and dismemberment as part of your membership. He's got a job opening at the company where he works looking for people to do calibrations

Nancy Newsletter: Nancy asked people to please send in articles and flyers for runs that clubs are having. Thinking about setting up a joke corner as part of the newsletter and asked the members what they think of that and if they would please start emailing over some jokes and maybe some stories from our members. Website still up and running good.

Josephine Public Relations: Josephine has been out trying to find a place for the Christmas party. A few places she spoke with will not hold a hundred and fifty people and not really interested in supplying a hot Buffet. Josephine put it out there to the members if they know anyone in the restaurant business or bar business to send her leads so that she can go and talk with them. Some members asked or referred maybe the Irish Coffee Pub house in Islip. Or maybe talk to a veteran's hall to see if they would host or maybe have food catered in. Reminded everyone about the veteran's dinner October 9th which is the second Tuesday in October.

Mike Legislative: Talked about the people he had met up at the safety meeting he went to up at the Finger Lakes spoke about Jim meeting Chuck and Albree wants to help us to get grant money sharing the road. Dale's husband stated he gave Jim some paperwork about sharing the road program and a DVD VHS tape. Baby sharing the road program we can get into teaching in schools FedEx drivers Etc.

Kathy Products: Kathy's not here tonight will be at the next meeting. If anybody's interested in products or wants them to be at the Nassau meeting and please email Kathy.

Old business. Chris Sergeant at Arms. Regarding the ABATE mobile it is a work in progress. He has been working on the lights and going over the whole truck. He has many ideas in mind putting eye hooks inside using it as a Chase vehicle in case a bike breaks down we can pull the bike right in and tie it down. Work is coming along good on it.

Grant money this year 29400 next year 31,550. Not as easy as everyone thinks. Bumper-stickers, lawn signs, bracelets. Taking certain wording out would help possibly so it wouldn't be considered advertising.

New business. Nancy stated that Jim will be in Colorado for the dates of September 20th Thru the 23rd. Ice cream John spoke about motorcycle Mike, and the lady who hit him rear-ended accident has passed away motorcycle Mike had some broken ribs bleeding on the brain he was put into a coma. But is doing okay now.

Nancy stated that Jim will be on the radio on Wednesdays from the hours of 12 to 2 radio station 103.9. Nancy was on last week along with Jim.

Bill Quinn spoke of NOA which is the second Wednesday of the month to please show up to help and hold American flags or to do a mission at Calverton. That it helps seeing everyone out there when the families come in to do the funerals and the memorials for their loved ones.

Nancy spoke of next meeting October 9th at 7 p.m. for the veteran's appreciation dinner there's a signup sheet up front at the table we need help please bring food we're doing potluck food must be there by 5 p.m. Volunteers are needed period after the dinner we will be doing a general meeting and nominations.

September 29th Town of Brookhaven Safety Day in Holtsville at the ecology center.

We're putting it out there to our members we need volunteers to do the booths this season we had turned down a lot of invites so please if anyone is interested we could use volunteers to do ABATE booths.

September 30th is the Dee Schneider run ABATE is setting up a booth and is looking for volunteers to be there early before 8 a.m.

Dale and Rick will be doing a booth at Blackthorn. Thank you both for running the booth.

Open to the floor: October 21st leathernecks are having a run. 9/16 Antique Motorcycle Club September 16th Queens County Farm swap meet and motorcycle show maybe a booth, asked to give out ABATE info. 2913 VFW in Patchogue Performing Arts disabled vet's music for November trying to do early between 650 and 700 people. November 4th 27th St Mary's Food and Toy Run in Riverhead from the Elks to St Mary's in Hampton Bays.

The 50/50 is \$50 tonight ticket number 703390.

Motion to close meeting at 8:25 p.m. Seconded and all were in favor.

Minutes were taken by Josephine Ladouceur

In Memory of Jim DeNatale

Mr. James K. DeNatale age 70, of Bayville, NY passed away suddenly on September 15, 2018. Jim was born October 3, 1947 in Brooklyn, New York to the late Peter E. and Mary (Tamborino) DeNatale.

Jim graduated from Sheepshead Bay High School and attended the University of Arizona. Jim enlisted in the U.S. Navy where he served aboard the USS Fort Snelling (LSD30) and the Cutlass (SS476), ultimately receiving the rank of Quartermaster Second Class before his discharge.

Jim met his wife Leslie as teenagers on the beaches of Bayville and raised their family in the town where they met and fell in love.

For over 40 years you could find Jim at DeNatale Jewelers working alongside his father Peter Sr., brothers Peter, Robert and John & niece, Donna, where he helped innumerable people celebrate their families' most joyous milestones. In 2016, Jim retired from the family business to pursue his passion of selling and riding Harleys. He loved his Harley family and was a member, and Head Road Captain of Long Island HOG as well as a member of The Nassau County HOG Chapter, Long Island, NY, as well as a member of ABATE (American Bikers for Awareness, Training & Education) Long Island.

Jim is survived by his beloved wife of 47 years, Leslie, loving daughter Heather and son Brandon, daughter-in-law Jamie, his adored grandsons Cooper and Wesley, sisters and brothers, Ellie (Richard) Weil, Peter (Kathy), Sister Natalie, Robert (Pamela), Mary (the late William) Carone, Joseph (Margaret) and Andrew (Lynn), numerous nieces, nephews, grandnieces, grandnephews and many loving relatives and friends. In addition to his parents, Jim was preceded in death by his sister Ann (the late Donald) Quinn, brother John, nephew Peter Jr. and niece Julianne (Carone) Diers.

In lieu of flowers "In Memory Donations" to the NYU Melanoma Research Fund, c/o Dr. Anna C. Pavlick, (NYU Clinical Cancer Center, 9th Fl. 160 East 34th St., New York NY 10016 or the Long Island ABATE would be appreciated.

SAFETY & LEGISLATION

New York's Move Over Law Has Changed

Effective January 1, 2012

Protects law enforcement officers, emergency workers, tow and service vehicle operators and other maintenance workers stopped along roadways while performing their duties.

- Drivers **must** use due care when approaching an emergency vehicle that displays red and/or white emergency lighting:
 - On all roads and highways, drivers **must** reduce speed;
- On Parkways and other controlled access highways with multiple lanes, when approaching an emergency vehicle that displays red and/or white emergency lighting or a hazard vehicle displaying flashing amber lighting, drivers **must** move from the lane immediately adjacent to the emergency or hazard vehicle, **unless** traffic or other hazards exist to prevent doing so safely.

Penalties:

- Violations of this law are punishable as a moving violation.

A reminder to pull over for disabled vehicles and emergency vehicles. At the Suffolk County safety meeting in June, SCPD said they will be enforcing the law to pull over or slow down when there is a disabled or emergency vehicle on the shoulder. We hear all too often of police officers that are injured or killed while assisting people on the roadways.

SAFETY

Suffolk County Police Fifth Squad detectives are investigating a crash that killed a motorcyclist in Holbrook shortly after midnight.

A motorcyclist was operating a 1995 Harley Davidson motorcycle southbound on Veterans Memorial Highway, near the Sunrise Highway overpass, when the motorcycle left the roadway and struck a metal barricade. The Motorcyclist was pronounced dead at the scene by a physician assistant from the Office of the Suffolk County Medical Examiner.

The motorcycle was impounded for a safety check.

Please don't let this be you. Check your motorcycle often. At the very least tire pressure.

If you haven't gone for a motorcycle lesson you are putting yourself at risk.

Just because you have been riding for thirty years doesn't mean you haven't been making the same mistakes for thirty years. Maybe you have just been lucky. Hopefully you have skill.

2018 Free Handbook will be available at the April 15th Awareness Run and throughout the year at meetings and booths. Don't forget to get yours when they are available and supplies last!

Thank you to all the advertisers that supported this year's handbook.

Listed in the centerfold are Motorcycle Club and various events for 2018.

MEMBERSHIP

I would like to Thank the Long Island ABATE membership for entrusting me with the position of Membership Chair.

With approximately 2000 members, this job is a large task, keeping our records up to date, getting out new membership cards, sending out renewal reminders.

However, I want it to be so much more to grow our Voice, both locally, as well as at the State and Federal level.

Retention of members is my first priority. I need to develop methods, incentives and programs to keep our numbers maintained and growing.

- a) I'm creating a survey to send out, collect the data to determine what our membership, likes, dislikes and needs from Long Island ABATE.
- b) Develop a Network of vendors, schools, shops that will give great discounts and priority service only to current ABATE members.
- c) Develop Awareness and Training that could save a life or just make biking more enjoyable.

Second; recruit new membership through community awareness of Long Island ABATE.

- a) Street Fair Booths, not just Biker Events.
- b) Radio Shows
- c) Public Safety Announcements (PSAs)

Anyone with any ideas, please submit them to me via my email: gdemott@gmail.com

I have and will continue to set up a table at each of our meetings, to take renewals, check membership status, correct emails and give out pins.

Thank You for your continued support of Long Island ABATE.

George
23

OUR MISSION:

Promote awareness and education in the motorcycling community to improve riders' safety, and educate non-riders globally in the interest of all riders' safety.

We are a 501C3 Corporation. Please donate—your donation is tax deductible. To donate, go to our website listed at the bottom.

Motorcycle Riders Foundation Awareness & Education (MRFA&E)

2221 S. Clark Street
Arlington, VA 22202
(202) 546-0983

www.mrfae.org

Motorcycle Riders Foundation Awareness & Education (MRFA&E) was established to promote motorcycle awareness and education due to an ever-increasing rider population. Motorcycle riders and activist have long recognized that motorcycle rider education and awareness are crucial in enhancing rider safety. No one is more concerned with rider safety than riders themselves, and obviously those best suited to educate newer riders are veteran riders.

102.3

In 2005 Devin Beatty was tragically killed while he was a passenger in a car in which the underage driver had consumed alcohol at a local restaurant minutes before the tragic accident. The Beatty Family has started a non-profit charitable organization to finance a bill to change the age old laws that say, "A child's life holds no value" and to hold responsible the establishments that hide behind this law due to their wrongful actions.

The Beatty Family and Full Throttle Magazine along with Motorcycle Mike Esq. are actively fund raising to sponsor the bill which will be known as DEVIN'S LAW. Make a difference for the unprotected innocent (our children), support DEVIN'S LAW.

For information on how to be part of this non-profit charitable organization or to make a donation please contact: Brett Beatty @ 631-433-6736, Joanne Beatty @ 904-652-6024

What is the Motorcycle Profiling Project?

What is the Motorcycle Profiling Project?

The Motorcycle Profiling Project (MPP) is dedicated to the grassroots effort to pass laws addressing profiling and discrimination. The MPP is not intended to replace other organizations. Rather, the project is intended to coordinate and unify the different elements and organizations in each state towards this common goal, including the Confederations and Coalitions of Clubs, US Defenders, C.O.I.R., ABATE, MMA, NCOM, MRF, AMA and the many smaller MRO's that exist around the country.

Who created the Motorcycle Profiling Project?

David "Double D" Devereaux, a motorcycle rights activist from Washington State, and a leading advocate for laws addressing the issue of motorcycle profiling in America. Double D spearheaded the effort in Washington as spokesperson for the movement. Double D represents the Washington State COC and US Defenders, NCOM Legislative Task Force, US Defenders National Office, BOLT, and he is a member or supporter of ABATE, the MRF, and the AMA. Also offering assistance to the project are Jeff "Twitch" Burns (activist, public records, media expert and documentary filmmaker), Bill "Colt" Kaitz (activist that leads the Maryland US Defenders), Donnie "Mr. Breeze" Landsman (activist, independent advocate and legislative expert), along with many others.

This unified effort resulted in the first law addressing motorcycle profiling in America. Importantly, Washington's law passed through the legislature unanimously and the same legislation is receiving support in many other states. The Maryland COC/US Defenders and ABATE, working with the Project, unanimously passed profiling legislation through their Senate in 2015 and seems likely to pass the law through both chambers in 2016.

Services

What services do the Motorcycle Profiling Project provide? The Motorcycle Profiling Project is designed to help your state with every step involved in the process of passing a law addressing the issue of motorcycle profiling. Based on the experiences and best practices of the highly effective motorcycle rights movement in Washington State, the Project will assist in organizing and preparing your state to take effective grassroots action. The project provides organizational recommendations, policy support materials, and legislative strategy. This includes, but is not limited to:

- Organizational strategy.
- Coordinating COC's and MRO's in a unified effort.
- Step-by-step Action Plan outlining the entire process, beginning to end.
- Construct a state-specific Pattern of Evidence.
- Drafting a Policy Report/Written Testimony. This is the state's official statement on legislation addressing the issue of motorcycle profiling.
- Drafting a Legislative Proposal and Legislative Packet
- Drafting a Request for Sponsorship
- Drafting CTA's and correspondence to legislators.
- Drafting testimony and providing testimony upon request, schedule permitting.
- Media support and press releases.

What do the Motorcycle Profiling Project's services cost? The Motorcycle Profiling Project offers all of its services to the motorcycling community FREE of charge. If an individual or organization sees value in the project, then contributions are highly appreciated. The project relies on these contributions as the sole means of covering expenses and compensation for work performed. The more support the project receives, the more support the project can provide the motorcycling community.

As the movement to pass profiling laws accelerates, so has the time demands and workload. A project of this magnitude entails office expenses, travel, and time. So if you think the project is valuable, organize a benefit and make a contribution.

Contributions go directly to the The Motorcycle Profiling Project. Contributions are NOT Tax deductible. Online contributions can be made at motorcycleprofilingproject.com or The Motorcycle Profiling Project on Facebook. Contract based consulting is also available if a particular state or community prefers a traditional and structured agreement.

Please visit the Motorcycle Profiling Project website if you would like more information and to participate in the National Motorcycle Profiling Survey

Newsletter Editor

Dear Members,

This is **YOUR** newsletter so I will fill it with all the information, articles, pictures and fun stuff that is sent to me.

Mailings: Our newsletter is paperless. Every month you will be sent an email with a link to the newsletter when it gets posted on our website at www.longislandabate.org. *Do to it being very expensive, we can no longer print and mail the newsletters out to the membership.*

Advertisements: If you are interested in advertising your business in our newsletter, please see the prices on page 3 of the newsletter.

Flyers and Events: If you have a flyer to submit, please email it to me at nancygee66@gmail.com. Please get it to me before the month of your event. There will be a fee if your flyer is listed more than once.

Your Submissions: Please feel free to send in pictures, funny cartoons, stories, ideas for the newsletter. I am open for all suggestions, comments, complaints. If you have a bike or parts for sale, I can list it. If you would like your own column on household tips, recipes, or great riding places to go to, concert info, or a community service thing going on, please contact me.

Thank you and Ride Like the Wind!!
