Long Island ABATE

AMERICAN BIKERS for AWARENESS TRAINING & EDUCATION

The main purpose of the ABATE organization is to work toward continued freedom of the road by insuring that motorcyclist's point of view is presented to our legislators and to promote motorcycle safety, rider education and public awareness. We are trying to alleviate the very real possibility of "Big Brother Government". We encourage all our members to be informed registered voters. We write letters to our elected officials and stay aware of what is going on with motorcycle legislation, and other transportation issues. We welcome interested parties to any of our activities or to join our organization.

President's Message

Hello everyone,

March is here, although the riding weather hasn't been the greatest many have managed to sneak a few riding days in. With the weather being what it is it allows us to go over or have someone go over our machines. All things should be checked including tire condition and air pressures, all fluids checked and changed if needed, the brake system including pads, rotors, calipers, all hardware, and most of all the brake fluid (especially if your machine has ABS). Check all lights for proper function, check clutch for proper adjustment as well as all the components (including cable condition and lube it) if it is hydraulic check the fluid and flush if necessary. It is a good idea to check the handlebars and all controls including your mirrors and any accessories that you might have. It wouldn't hurt to check the year of your battery, and maybe have it tested, and change the battery in your fob if you have one. After all is said and done, check over your gear for proper condition, fit, and function. Once your machine and gear are good to go, I do recommend a little practice too. Whether you warm up in parking lot or sign up for a refresher course. There are various schools and practice sessions around Long Island, check our Facebook page as well as our website for updates.

With that out of the way I will recap some more of what we've been up to. After the ABATE of Pennsylvania's L&L seminar we had our Membership meeting, we swore in the rest of the Board and had a presentation by "Motorcycle" Mike Levine ESQ. (see pictures in this newsletter), He spoke about the importance of having enough Uninsured and Under insured coverage, especially since motorcyclists are not covered by No-fault insurance here in NY. Not many policies cover the rider and if they do it only covers up to twenty-five thousand dollars (at an additional cost), which in most cases is the ambulance ride and maybe a little more depending on the severity of the injuries from the crash. By having those limits raised to as much as you can afford you will be covering yourself in the event you are seriously injured, and the other party does not have enough insurance coverage to cover your injuries and losses. I recommend everyone look at their policies and consult their insurance company and or an Attorney for more information.

The following week we held the re-cap meeting in Massapequa. The weekend immediately after Bruce LaPorte from The Traveling Memorial Wall for Fallen Bikers came down and we hosted a Presenters meeting. There all attendees were brought up to speed with his presentation and received tips on how to present it at the school drivers ed classes. The group of presenters is growing and will allow us to reach more young drivers. I am so glad and proud to be part of such a dedicated group of individuals that care enough to be involved and make a difference. If anyone is interested in getting involved, we would love to have you.

Please reach out to me or any Board member for more information.

We will be participating in a few upcoming events including, possibly the Rocky Point and then the Ronkonkoma St Patty's Day Parades as well as the Middle Country Community Festival, immediately following is our Awareness Run, see the flyers in this newsletter for more information. Also check Facebook for updates. I look forward to seeing everyone soon.

As always Long Island ABATE is looking for input and participation from members to better the organization as well as volunteers to help us maintain and grow the organization, while protecting the rights of motorcyclists and trying to keep us safe. If you would like to get more involved or have ideas, please reach out to me or any Board Member. We would love to have you and or your input.

Thank You for your continued support.

Together we can make a Difference

Ride safe and Be Well

****MUST BOOK YOUR ROOM BY APRIL 17TH TO LOCK IN THE ROOM RATE****

Greetings to all Long Island ABATE members!

I 'm happy to report on my attendance at the Pennsylvania ABATE Leadership and Legislative Seminar last month in Harrisburg Pennsylvania.

Road Captain Constantine drove us to Harrisburg, and we chatted all the way discussing the program and weekend itinerary. We both had never attended this seminar and were anxious to see what it was all about. We arrived and checked in and were

immediately welcomed by a few Pennsylvania ABATE officers.

After socializing and meeting with our other Long Island ABATE officers we turned in and got ready for the next day planning on where we would split up and attend the sessions.

Along with our officers, we attended the opening general session where the Pennsylvania State Officers told us what to expect. Then onto the next session about advice you need before you ride and after an accident by PA ABATE attorneys. We then attended a seminar about keeping and recruiting members.

After a break, we went back into general session to hear reports of the state officers and a recap of 2024 and goals for 2025. We then attended a panel discussion of Education, Lifestyle, and the Right to Repair and automated vehicles.

Our next day started with meetings for the PA Officers followed by a presentation of the MRF (Motorcycle Riders Foundation) which is our National Motorcycle Rights Organization which lobbies in Washington DC and organizes Bikers in the Beltway which our officers attend every year!

The evening concluded with a banquet with awards for those who have gone above and beyond in service to the PA ABATE organization.

The Seminar was a very worthwhile event, and I was proud to represent Long Island ABATE.

I was honored to have participated in the placement and removal of wreaths at Calverton National Cemetery during the Holiday. I also attend the Nassau recap meetings after our general meeting in Suffolk. I attend meetings at clubs and bike nights too!

The Friends of St. Patrick are pleased to name:

John and Raymond OSullivan

as Co-Grand Marshals of the

73rd Annual Miller Place / Rocky Point Parade

March 16, 2025

75 years after the first Miller Place / Rocky Point parade kicked off, John and Raymond, direct descendants from the first Co-Grand Marshal and Founder, John M. Sullivan, will march down the same parade route. Their father, the late James P. OSullivan, an Irish American immigrant from County Kerry, was Grand Marshal of the parade exactly 60 years ago in 1965. Their mother Lorraine OSullivan's (Doyle) family hails from County Armagh.

John and Raymond grew up among the community members who volunteered their time in the Friends of St Patrick; watching their father lead and be a member of the organization for over 60 years. Both Raymond and John have been official members since 2004, though they marched in the parade their whole life and have held various positions in the organization.

John is the current President of the Friends of St Patrick (since 2024) and lives in Ronkonkoma with his wife Vita and daughter Teresa. Raymond, former President (2020-2023), lives in Miller Place with his wife Allison and children Peter and Katherine. Their sister, Kathleen Jenne and her family live in Baldwinsville, NY.

Both John and Raymond are honored and proud to be the Grand Marshal and look forward to representing County Kerry and all their Irish relatives at the 2025 St Patrick's Day Parade

2025 Grandmarshals - John & Raymond OSullivan

This week, the Motorcycle Riders Foundation participated in a reception for the Congressional Motorcycle Caucus. The event played host to several lawmakers, including the Co-Chairs of the House Motorcycle Caucus: Rep. Tim Walberg (Michigan), Rep. Troy Balderson (Ohio) and Rep. Derrick Van Orden (Wisconsin). The Chair of the Senate Motorcycle Caucus, Senator Gary Peters (Michigan) also attended. Additional legislators present included newly elected Representatives Dave Taylor (Ohio) and John McGuire (Virginia).

These two caucuses are made of legislators from both parties who have an interest in supporting motorcyclists and the motorcycling lifestyle. The event also included several Capitol Hill staffers and other motorcycling groups, including the American Motorcyclist Association, Harley-Davidson Motor Company and the Motorcycle Industry Council.

Growing these motorcycle-focused organizations is a priority for the Motorcycle

Riders Foundation. Events like this one and the annual "Ride to Work Day" on Capitol Hill are great ways to connect with elected officials and their staff in a less formal setting and build relationships that can help impact our legislative agenda.

With your help, we can continue to grow these groups and spread the word about motorcycling priorities to the folks in our nation's capital

RIDE WITH THE LEADERS!

Thousands of motorcyclists' rights activists have attended MRF sponsored annual regional and national workshops since 1985. These workshops provide the nuts and bolts, "user friendly" subjects and training to assist motorcyclists in defending, building, and strengthening their grassroots organizations.

Motorcycle Riders Foundation is proud to present their annual conference for politically motivated motorcyclists! Spend the weekend with some of motorcycling's most educated and dedicated activists. Learn what issues will impact bikers today and in the future!

Use the applications below to join and support the Motorcycle Riders Foundation and to pre-register for the 41st Annual Meeting of the Minds, September 25-28, 2025.

Tax Tips for People with Hearing Loss

It's tax time again ... and who doesn't like to get a tax break? If you have hearing loss, you may qualify for special tax deductions for hearing-care-related expenses that can help reduce your overall tax burden – and keep more money in your pocket.

Enlisting the help of an accountant is always a good idea, but here's some general information about the IRS tax deductions that everyone with hearing loss should be aware of.

How Much Can I Claim?

If you itemize deductions instead of using the standard deduction, you can claim uninsured medical costs, *including those pertaining to hearing health care*, as a tax-deductible expense.

However, your overall uninsured medical expenses **must collectively total more than 7.5% of your adjusted gross income (AGI) for you to claim them as an itemized deduction.** For example, if your AGI is \$40,000, you may deduct the cost of any qualifying medical expenses over \$3,000. Since hearing devices can cost thousands of dollars and often are not covered by insurance, it's easy to see how medical expenses can add up fast.

What Expenses Can I Claim as a Deduction?

Uninsured hearing health costs you can claim as a medical expense include payments for:

- Hearing aids, batteries, repairs and maintenance
- Telephone equipment, including captioned phones, phones with special ringers and teleprinters, as well as their repair costs
- TVs and related accessories that provide captioning and amplify sound, as well as repair costs
- Improvements to your home for special burglar alarms, smoke detectors and doorbells
- Assistive devices such as TV streamers, remote mics, bed shakers, and sound machines for tinnitus relief
- Transportation to and from hearing health appointments
- Guide dog expenses, such as grooming, food costs and veterinary costs

Remember to keep the receipts for all related expenses—you'll need them handy when it's time to claim them on your taxes.

Are Hearing Device Donations Tax Deductible?

Yes! If you itemize deductions on your tax return rather than taking the standard deduction, you can claim a deduction for any hearing device donations.

Only donations made during the previous tax year are eligible for the tax benefit, and you may only deduct the fair market value. To determine the fair market value, use a five-year, straight-line depreciation formula:

1. Divide the original price of the devices by five to determine the annual depreciation
2. Multiply the annual depreciation by the age of the devices.
3. Subtract that figure from the original price to determine the remaining value.

Help Your Hearing and Your Budget

Hearing better is priceless—it can enhance your communication skills, improve your relationships and allow you to rediscover your zest for life. If you or someone you love has been struggling to hear, don't put off getting help for any reason—financial or otherwise. H.E.A.R.S. Audiology offers deep discounts on several premium tech hearing aid models, and we will work with you to find the best solution that fits within your budget. For the many people with hearing loss who don't have insurance coverage for hearing aids or accessories, our discounted pricing combined with the permitted tax deductions can make your hearing health care costs more manageable. Schedule a hearing evaluation today and start your journey to hearing your best.

ENJOY THE BENEFITS OF MEMBERSHIP

Join the cause & become a member today !

The MRF's primary goals include:

- Monitoring and influencing federal legislation for any impact on the motorcycling community at large
- Representing street motorcyclists by participating in federal research and advisory committees
- Protecting street motorcyclists from unfair or burdensome federal agency restrictions and regulations
- Ending discrimination against street motorcyclists
- Providing all street motorcyclists with direction and information to protect their motorcycling rights
- Promoting motorcycling safety, training, education, licensing and public awareness on American roads

WHO WE ARE

The Motorcycle Riders Foundation is the Nation's premiere motorcyclists' rights organization that is chiefly concerned with issues at the national and international levels that impact the freedom and safety of American street motorcyclists. We are also committed to educating rights advocates to improve effectiveness at the state and local levels. The MRF works together with street motorcyclists, State Motorcyclists' Rights Organizations (SMROs), the motorcycle industry, the media and other organizations, assisting them with state and local agendas as well as working with them to influence action and policy in Washington, DC - from the Congress to government departments and agencies to the Office of the President of the United States. We also work with allies in Canada, Europe and Asia to influence talks on vehicle globalization and harmonization that are proceeding under the United Nations and the World Health Organization.

JOIN THE MRF TODAY!

OUR RIGHTS AND FREEDOMS FEDERALLY DEPEND ON IT!

I bought the bike in 2019 in CT with 299 miles. It sat in someone's garage. My long time mechanic checked it all out. I've maintained it every year since. I also threw on new tires just to be on the safe side and the pipes. I'm not original owner. I have a clear title.
