

A detailed illustration of a man with a long red beard, wearing a green top hat, sunglasses, and a green leather jacket, riding a custom green and gold motorcycle. The motorcycle has gold wheels, a green fuel tank with clover patterns, and a green fender. The man is holding a lit cigarette. The background shows a wooden building with a sign that says "LONG ISLAND" and "ABATE". The scene is set on a cobblestone street with several green clovers scattered around.

WE ALL RIDE FOR  
FREEDOM OF THE ROAD"

We Want You

To Ride With Us!

## Long Island ABATE

AMERICAN BIKERS for AWARENESS TRAINING & EDUCATION

The main purpose of the ABATE organization is to work toward continued freedom of the road by insuring that motorcyclist's point of view is presented to our legislators and to promote motorcycle safety, rider education and public awareness. We are trying to alleviate the very real possibility of "Big Brother Government". We encourage all our members to be informed registered voters. We write letters to our elected officials and stay aware of what is going on with motorcycle legislation, and other transportation issues. We welcome interested parties to any of our activities or to join our organization.

# President's Message

Hello everyone,

It's hard to believe that March is upon us already. January and February seemed to fly by. Although there hasn't been a lot of good riding weather, we have been very busy planning the year ahead. The Drivers Ed Motorcycle Awareness presentations keep rolling in, we have many classes scheduled across the Island. We also started doing personalized Club presentations again. We meet with the Club or Group and give the members a personalized presentation on what Long Island ABATE is and what we do and how being a member of ABATE helps protect our rights and safety as motorcyclists.

Long Island ABATE held our first AMA Road Captain presentation, Hosted by Am Vet post 48 in Ronkonkoma. There were over 40 people present and it was well received. We had group discussions on many procedures and situations before, during, and after a ride or event. Also discussed was the importance of knowing if anyone has any medical issues as well as having emergency contact numbers for everyone in the group. If you or your club are interested in attending or hosting a Road Captain Course, please reach out to myself or a Board Member and watch for emails or Facebook posts as to when the next class is. After all, you can never be too prepared.

Practice, Practice, Practice. With Mother Nature being so uncooperative a lot of us have not been out riding. With better days coming (hopefully soon) we will be able to get back out there and ride. With that being said, don't forget to practice and brush up on some of those not recently used skills. Also, as an ABATE member you also get discounts at OTRA and Big Apple Motorcycle schools. They both have various classes to meet your needs. Also Parking lot Practice opportunities will be plentiful this year. As you read this, we are planning to meet with Nassau County and some of the members of the Traffic Safety Board and hopefully put together a Motorcycle Advisory Committee. In doing so we are looking to work together on making motorcycling safer and possibly open some more practice options.

Machine maintenance, as with us when our machines sit and things happen, like tires loose pressure, batteries weaken and more. Before you take that Bike out for a "quick" Ride, don't forget to give it a look over and if you're not familiar with things bring it to a reputable shop to get it serviced. Also don't forget to dress and prepare for the weather as it could change drastically, especially after sundown.

We also have been busy planning our events, including the Safety and Awareness Run, the Veterans Appreciation Run, The Campout and The St Mary's Food and Toy run and more.

We also have a Stop the Bleed class coming up on March 23<sup>rd</sup> at the Elks Lodge in Centereach from 7-9 pm the class is free and being put on by Stony Brook University Hospital.

Just a reminder, The Handbook is being put together currently, and if you would like to advertise your Business or event reach out to Myself or Josephine at [bandcampgirlia@gmail.com](mailto:bandcampgirlia@gmail.com)

Half page print ready ads are \$60.00 and Full page print ready ads are \$120. There will be a \$25.00 set-up fee if modifications or artwork are needed. All Proceeds go to our Awareness Campaign. We will also list your events in the centerfold for free as usual. All submissions have to be in by March 22<sup>nd</sup>.

We are looking for people to help with donations, products, and a volunteer coordinator as well as assistant Road Captains. If you would like to help and fill one of these positions, so if you want to get more involved and help make a difference, please reach out to myself or a Board Member.

As always Long Island ABATE is looking for input and participation from members to better the organization as well as volunteers to help us maintain and grow the organization, while protecting the rights of motorcyclists and trying to keep us safe. If you would like to get more involved or have ideas, please reach out to me or any Board Member. We would love to have you and or your input.

Thank You for your continued support.  
Together we can make a Difference

Ride safe and Be Well

“Hello, I am the Count. They call me the Count because I  
LOVE to count things.”  
Count Von Count

By Nancy Greenseich

As a child of the late 60's/early 70's, Sesame Street was one of my favorite tv shows. The vampire Muppet, The Count, was an essential and favorite source of teaching me how to count and learn numbers.

Since The Count liked to count and liked numbers, I thought I would give you a little history about this lovable Vampire.

Count Von Count premiered on Sesame Street in 1972. He lived in a castle along with his pets Yuba the wolf, Octavia the octopus and Fatafata the cat. He had bats and spider webs as his décor. His love interests were Countess Natasha and Countess Von Backwards. He had a 5<sup>th</sup> cousin named Countess Dahling Von Dahling, who liked to count. But when she was done counting, it would cause a rainstorm wherever she was. She would have to count in reverse to make it stop raining. They made learning to count fun. And maybe that is why I am having fun being part of the Board as your treasurer.

Too bad he was not teaching algebra or doing taxes, because I bet if he did, more of us would be better at that!! ☐

Remember, Long Island ABATES' first event of the season is the 17<sup>th</sup> Annual Motorcycle Safety and Awareness Run and Bike Blessing on Sunday April 26<sup>th</sup>. As it gets closer, keep an eye out for more information.

Take care and Ride Safe  
Nancy  
Treasurer, Long Island ABATE, Inc.

Greetings LI ABATE Members!

I'm sure you all are tired of winter and can't wait for an early Spring! I couldn't agree!

Recently a few officers and members attended an invitation to attend a legislative and leadership meeting in Pennsylvania. Since I had been to a few before, I decided to encourage other officers and members to attend. It was a two day training. Some of the topics covered were the history of PA ABATE, influential and founding folks, and various workshops including coordinator, secretary, treasurer, membership, products and legislation to name a few.

I'm hoping in the future we might be able to put something together for LI ABATE. I'd be more than happy to try! Of course a committee of officers and members would be needed to get something like this accomplished.

As our safety officer I still attend the Suffolk Police Precinct community meetings. The new schedule just came out and I'm already placing the dates in my phone calendar. All are welcome to attend. They do accommodate by alternating meeting times. You can locate the information thru at the Suffolk County Police Community site. My other duties are attending the Suffolk County Traffic and Safety Board meeting every other month. Currently I am being reappointed by the Suffolk County Legislature. I give a report on the LI ABATE agenda and community events we attend to promote motorcycle awareness. As I've previously reported, I let all in attendance know about our success in attending the public high school driver educational programs. Our mission is to make soon to be drivers aware that motorcycles not only share the road, but to also make students drive cautiously, to be attentive!

Lastly, I will be in our nations capitol in Washington, DC to lobby our five congressional representatives on issues that LI ABATE receives from the Motorcycle Rights Foundation! I will write more about issues that affect all of us nationwide in my next article.

Thank you for being a LI ABATE member and please remember to tell others (whether they ride or not) what we do.

*Nick*

## The Lighter Side

Hon,  
Before you return from your business trip, I just want to let you know about the small accident I had with the pickup truck when I turned into the driveway. Fortunately it's not too bad and I really didn't get hurt, so please don't worry too much about me.

I was coming home from Wal-Mart, and when I turned into the driveway I accidentally pushed down on the accelerator instead of the brake. The garage door is slightly bent but fortunately the pickup came to a halt when it bumped into your Ferrari. I am really sorry, but I know with your kindhearted personality you will forgive me.

You know how much I love you and care for you my sweetheart. I am enclosing a picture of the damage for you. I cannot wait to hold you in my arms again.

Your loving wife,  
XXX

# Updates From Josephine

Article by ...Josephine... 2<sup>nd</sup> VP Long Island ABATE

Hi everyone! Here we are back at it again. The month of February we got slammed hard with the snow! Hopefully the month of March will be better, I'm so looking forward to the warmer weather. We have been very busy with the planning of upcoming events. The safety and awareness run for April 26th, the vets run set for June 7th and we have even had our first campout meeting for the campout set for August 22nd. Those are just some of the very important dates you need to put on your calendars. I'm going to throw this out there that if anyone is interested in helping plan any of these events please reach out to myself or a board member. Thank you.

Here are some of the events we attended from the end of January through February. January 22nd through the 25th myself, Chris, Irish Pat, Robert Lamont and Constantine attended the L&L which is the leadership and legislation seminar in Pennsylvania. It's run by the Mason-Dixon chapter. They are just one of many chapters across the state of Pennsylvania. This is a seminar we have been going to for a few years now. It's like a small version of meeting of the minds. There they have breakout sessions or classes referring to a lot of things that are going on in Pennsylvania. While there we attend the breakout sessions to see what we can learn from them to bring back an apply here on Long Island. We are also members of Pennsylvania Mason-Dixon chapter of ABATE. There we also have friends that belong to Long Island ABATE awesome which I call cross pollinating. It's a very good idea if anyone is interested in joining other states ABATE'S it's nice to learn what's going on from state to state. While there we also speak about what we do here on Long Island and if they can apply it to what they do there.

On February 1st we held our first MMA road captain class. It was run by Chris, Constantine, Bill our sergeant of arms and myself. It was held at post 48 in Ronkonkoma. We had over 40 plus people attend. It was very well received! Once pictures were posted on Facebook we got an overwhelming response with phone calls and messages from many more clubs and people very interested in the next class. We are working on planning our next road captain class. It's very important to keep up the education and to keep our riders safe! If anyone is interested in the next class please reach out to Chris or a board member.

On February 18th Chris and I were invited to Alliance MC's meeting to be guest speakers. There we spoke about what Long Island ABATE stands for and what we do to keep the rights of motorcyclists safe.

We go a lot more in depth and touch on a lot of subjects like, bikers in the beltway, driver's ed classes in the high school, how to prepare on rides, speak from personal experiences. A lot of people out there see us when we're at bike nights or street fairs come up to us and say hi but really don't understand how much really goes on and what we do. If any club is interested in having us come to one of your meetings please reach out to us.

Last but not least the handbook it's that time of year We are accepting ads. Half page \$60, full page 120, and \$25 extra for artwork. Please reach out to me a board member or send your flyers you'd like to have published in the handbook to my email [Bandcampgirlia@gmail.com](mailto:Bandcampgirlia@gmail.com). The cutoff date is March 22nd and the handbook as always will be making its debut at the safety and awareness run on April 26th. Hope to see everyone there!

Always remember to follow us on Facebook and always open your emails from Long Island ABATE because there is always something important to read! See you all soon and ride safe!

Good morning my brothers and sisters,

## **Matthew 11:28 LEB...**

Come to me, all of you who labor and are burdened, and I will give you rest.

Days will come where you will feel overwhelmed. This feeling is what Jesus addresses here. All in context, we must trust that Jesus will take the burden of the trials and go through them with us (Isaiah 41:10). The next verse in Matthew explains the rest for our souls we'll receive. Thank you Jesus.

God bless you,

Pastor "G" Gerry Waldron 🙏👍✝️

# RIDE WITH THE LEADERS!

Thousands of motorcyclists' rights activists have attended MRF sponsored annual regional and national workshops since 1985. These workshops provide the nuts and bolts, "user friendly" subjects and training to assist motorcyclists in defending, building, and strengthening their grassroots organizations.

The Motorcycle Riders Foundation is proud to present their annual conference for politically motivated motorcyclists! Spend the weekend with some of motorcycling's most educated and dedicated activists. Learn what issues will impact bikers today and in the future!

Use the applications below to join and support the Motorcycle Riders Foundation and to pre-register for the 42nd Annual Meeting of the Minds, September 24-27, 2026.

## MRF MEETING OF THE MINDS 2026 PRE-REGISTRATION

# BIKERS INSIDE THE BELTWAY

## A New Highway Bill Will Arrive This Year!

Congress Is Writing the Highway Bill—Will Motorcyclists Be in the Room?

The next federal highway bill is already moving—and if motorcyclists are not physically present in Washington, decisions will be made **without us**.

House Transportation & Infrastructure Chairman Sam Graves has made it clear: a surface transportation reauthorization bill is coming fast. Committees begin work **within weeks**, floor action is expected this spring, and the Highway Trust Fund is on the brink. New revenue sources, new priorities, and new risks for riders are all on the table right now.

This is not a theory.  
This is not “someday.”

**This is happening before September 30 — and Congress is already negotiating.**

That is exactly why **Bikers Inside the Beltway 2026** matters more than ever.

**May 18-19, 2026, | Washington, D.C. | Embassy Suites, Alexandria, Virginia, 800-362-2779 | Group Reference code “MRF”**

While lawmakers debate funding formulas, infrastructure priorities, and “modernization,” motorcyclists cannot afford to be invisible. History proves it: if riders are not in the room, our safety, access, and freedom get traded away quietly.

The House will act first. The Senate follows soon after. Both chambers are signaling major changes—and they are actively looking for voices to justify their decisions. **Those voices need to be ours.**

Bikers Inside the Beltway is where motorcyclists:

- Sit face-to-face with members of Congress and staff
- Demand fair treatment in federal highway policy
- Defend motorcycling access, safety, and rider rights
- Remind Washington that we vote, we organize and we show up

If you care about the future of motorcycling in America, this is not optional.

**Mark your calendar. Make your travel plans. Bring your voice.**

Congress is writing the rules of the road. **Be there when it happens.**

Independent Motorcycle Aftermarket

**PROTECT YOUR  
BUSINESS!**

It's time for independent aftermarket motorcycle businesses to unite and join the *Independent Motorcycle Aftermarket*. The IMA is a growing network of aftermarket shops and suppliers who believe in unity in purpose toward common goals.

Unity in purpose includes:

- ✓ Passage of Right to Repair legislation
- ✓ Protect the right to modify
- ✓ Protect the internal combustion engine
- ✓ Maintain the availability of fuels not harmful to motorcycle engines
- ✓ Fight End of Life Directives

Join your independent motorcycle business owning peers to protect our investment and the future of motorcycling. The *Independent Motorcycle Aftermarket* works with the Motorcycle Riders Foundation and has your back!

[www.ima.org](http://www.ima.org)

- 1)... To initiate, endorse and sponsor educational programs such as rider safety, public awareness, legislative and affirmative action and, individual freedoms and rights.
- 2)... To create and promote a positive public image of motorcyclists and motorcycle groups and to dispel and disprove media hype, unfounded propaganda and the "Hollywood" image.
- 3)... To encourage goodwill and mutual understanding among motorcyclists, law enforcement personnel and the general public.
- 4)... To serve as an information source on matters pertaining to current laws, pending legislation, personal rights, political inclinations of elected officials and their constituents, and voter awareness.
- 5)... To act as a central responsive agency to devise and coordinate recreational, legislative, educational, and charitable...

Owning a motorcycle  
is not a matter  
of life or death.  
It is much more  
important than that.

Griff

## Tax Tips for People with Hearing Loss

It's tax time again ... and who doesn't like to get a tax break? If you have hearing loss, you may qualify for special tax deductions for hearing-care-related expenses that can help reduce your overall tax burden – and keep more money in your pocket.

Enlisting the help of an accountant is always a good idea, but here's some general information about the IRS tax deductions that everyone with hearing loss should be aware of.

### How Much Can I Claim?

If you itemize deductions instead of using the standard deduction, you can claim uninsured medical costs, **including those pertaining to hearing health care**, as a tax-deductible expense. However, your overall uninsured medical expenses **must collectively total more than 7.5% of your adjusted gross income (AGI) for you to claim them as an itemized deduction**. For example, if your AGI is \$40,000, you may deduct the cost of any qualifying medical expenses over \$3,000. Since hearing devices can cost thousands of dollars and often are not covered by insurance, it's easy to see how medical expenses can add up fast.

### What Expenses Can I Claim as a Deduction?

Uninsured hearing health costs you can claim as a medical expense include payments for:

- Hearing aids, batteries, repairs and maintenance
- Telephone equipment, including captioned phones, phones with special ringers and teleprinters, as well as their repair costs
- TVs and related accessories that provide captioning and amplify sound, as well as repair costs
- Improvements to your home for special burglar alarms, smoke detectors and doorbells
- Assistive devices such as TV streamers, remote mics, bed shakers, and sound machines for tinnitus relief
- Transportation to and from hearing health appointments
- Hearing Guide dog expenses, such as grooming, food costs and veterinary costs

Remember to keep the receipts for all related expenses—you'll need them handy when it's time to claim them on your taxes.

### Are Hearing Device Donations Tax Deductible?

The answer is ... **Yes!** If you itemize deductions on your tax return, you can claim a deduction for any hearing device donations.

Only donations made during the previous tax year are eligible for the tax benefit, and you may only deduct the fair market value. To determine the fair market value, use a five-year, straight-line depreciation formula:

1. Divide the original price of the devices by five to determine the annual depreciation
2. Multiply the annual depreciation by the age of the devices.
3. Subtract that figure from the original price to determine the remaining value.

### Help Your Hearing and Your Budget

Hearing better is priceless—it can enhance your communication skills, improve your relationships and allow you to rediscover your zest for life. If you or someone you love has been struggling to hear, don't put off getting help for any reason—financial or otherwise. H.E.A.R.S. Audiology offers deep discounts on several premium tech hearing aid models, and we will work with you to find the best solution that fits within your budget. For those with no insurance coverage for hearing aids, our discounted pricing combined with the permitted tax deductions can make your hearing health care costs more manageable. Schedule a hearing evaluation today and begin your journey to better hearing.

Leave message

I bought the bike in 2019 in CT with 299 miles. It sat in someone's garage. My long time mechanic checked it all out. I've maintained it every year since. I also threw on new tires just to be on the safe side and the pipes. I'm not original owner. I have a clear title.
